For over a decade, the Coastal Ocean Science Academy (COSA) has provided a hands-on, research-based STEM education experience that connects youth to local coastal habitats and the factors that shape them. This day program is based at the NUMSC’s campus in Nahant, and includes off-site field trips to locations around Boston and the North Shore.

- **Middle School Program** – July 22 to 26
  - COSA *Littorina* – students entering 7th – 8th grade

- **High School Program** – August 5 to 16
  - COSA *Chondrus* – students entering 9th – 12th grade
  - COSA *Pagurus* – returning students entering 10th – 12th grade

A limited number of full and partial scholarships are available. A daily shuttle is available between Ruggles, Wonderland & Lynn MBTA stations and the Marine Science Center.
