

FAQs for Undergraduates

Have you thought about pursuing a master's degree?

The PlusOne program allows students the opportunity to pursue a master's degree while pursuing an undergraduate degree.

What are the benefits?

- Count up-to 17 eligible undergraduate credits toward a master's degree.
- Save up to 50% on graduate tuition.
- Save time—complete BS and MS degrees in five years.
- Complete a graduate co-op.

What are the criteria to apply?

Including **BUT** not limited to:

- Cumulative GPA 3.0
- At least two semesters left in undergraduate plan of study

When should I apply?

- Apply to enter no earlier than your fifth academic semester and at least two semesters before expecting to earn your bachelor's degree.

What is the application process?

- Apply online starting in July.
- Include individual plan of study.
- No GRE, application fee, or transcripts required.

Visit cos.northeastern.edu/admissions/graduate-programs/plus-one-accelerated for information on each program.

Which programs can I enroll in?

- Applied Mathematics
- Bioinformatics
- Biotechnology
- Chemistry
- Environmental Science and Policy
- Marine Biology

Or, Create Your Own PlusOne
(no restriction on your major, but
must meet pre-requisites)
